SECTION 1. RESPONDENT'S BACKGROUND

INTRODUCTION AND CONSENT

INFORMED CONSENT

Hello. My name is _____ and I am working with the National Statistical Office. The National Statistical Office, together with the Ministry of Health, is conducting a national survey about the health of women and children. Your household is one that has been randomly selected out of all households in Malawi to be asked the questions in this survey. We would very much appreciate your participation in this survey.

I would like to ask you some questions related to health. This information will help the government to plan health services. The survey usually takes about 30 minutes to complete. Whatever information you provide will be kept strictly confidential and will not be shown to other persons.

Participation in this survey is voluntary and you can choose not to answer any individual question or all of the questions. However, we hope that you will participate in this survey since your views are important.

At this time, do you want to ask me anything about the survey?
May I begin the interview now?

REQUEST FOR CONSENT FOR HIV TEST

We would like to ask you to participate in the HIV test by allowing us to collect a few drops of blood from your finger. As part of the survey, we are asking people all over the country to help find out how big the AIDS problem is in Malawi.

The test uses sterile, disposable instruments that are completely clean and safe. This blood will be tested later in the laboratory. To ensure the confidentiality of this test result, no individual names will be attached to the blood sample; therefore, we will not be able to give you the result of your test and no one will be able to trace the test back to you.

However, if you want to know whether you have HIV, I can tell you where you can go to get tested. You can go to a Voluntary Counselling and testing (VCT) Centre where you will receive free counselling and confirmed HIV test results that same day. We will provide you with a voucher for yourself, and a voucher for your partner, which either of you can use at the VCT Centre in the next 30 days. With the voucher, there will be no charge for this service, and you will be reimbursed for your travel costs upon receiving the VCT services. At this centre you will meet trained staff available to discuss with you all issues and matters regarding HIV/AIDS. They will provide you with an HIV test and appropriate counselling.

Do you have any questions?

I hope you will agree to participate in the HIV testing. You can say yes or you can say no; it is up to you. However, if you agree, it will help the government to develop programs to fight the problem of HIV/AIDS in Malawi.

Will you agree to participate in the HIV test?

GO TO 904, CIRCLE THE APPROPRIATE CODE (AND SIGN).

IF RESPONDENT IS AGE 15-17:

ASK APRENT/GUARDIAN: Will you tell me if you will allow (NAME OF YOUTH) to participate in the HIV test? GO TO COLUMN 903, CIRCLE THE APPROPRIATE CODE (AND SIGN).

IF PARENT/GUARDIAN AGREES, READ THE PRECEDING PARAGRAPHS TO YOUTH FOR HIS/HER CONSENT. GO TO COLUMN 904, CIRCLE THE APPROPRIATE CODE (AND SIGN).

*DON'T FORGET TO GIVE EACH ELIGIBLE PERSON TWO REFERRAL VOUCHERS FOR FREE HIV TESTS/TRAVEL EXPENSES TO VCT SITE.
